CAPTURE THE FLAG™

REQUIRES FOUR AA BATTERIES (2 PER LASER FLAG)

IMPORTANT! OBSERVE THE FOLLOWING PRECAUTIONS TO PREVENT BATTERY LEAKAGE!

- Ask an adult to replace batteries
- Be sure to insert batteries as instructed. Always follow the battery manufacturer's instructions
- Always use alkaline batteries
- Never mix old and new batteries. Replace batteries at the same time, in pairs
- Never mix alkaline, standard (carbon-zinc), or rechargeable (nickel cadmium) batteries
- Do not use rechargeable batteries
- Always remove weak or dead batteries
- Check that the contact surfaces are clean before installing batteries
- Remove batteries from the battery compartment before extended storage.

1 **INSERT BATTERIES** by removing the phillips (+) screw in the battery door located in the laser flag, and putting in the batteries as shown on the inside of the battery door. Replace and tighten the screw.

2 **BEGIN BY PLACING** the two handles vertically in their correct bases. (Red snaps in the red base and blue in the blue base.)

3 **TURN THE UNIT ON** by pushing the switch on the laser flag to the left. Desired time setting: Right is 60 seconds, left is 30 seconds. You will hear the unit turn on.

4 **THE TIMER BEGINS** when your opponent steals your Laser Flag by lifting it up and away from your base.

5 **THE OBJECT OF THE GAME** is to keep your opponent from 1) getting your flag **OR** 2) If he/she is able to get your flag, keeping him from placing it into his base. If you see an opponent with your Laser Flag, Blast 'Em Quick!

6 **TO WIN** you must attach your opponent's Laser Flag horizontally into your base before the selected time limit is up. If you do, a "WINNING" alarm sounds and lights flash rapidly! If you are an incredible player and get your opponent's flag and never allow him to get yours, when it's time for you to put his flag in your base, snatch yours out first and snap his in quick for the win!

7 **YOU LOSE** if you do not get your opponent's Laser Flag in your base in the selected time limit, a loss warning will tell you time is running out. If you lose, you will hear a loss siren. To play again, simply turn the units off and on again.

NOTES: The Laser Flag must be attached to the base firmly or it will not become activated. Never throw your Laser Flags.

ADULT ASSEMBLY REQUIRED

NOTES: Switch units off when not in use.
